Faring's Limblitties to the Bank of England. meeting of the directors of the Bank of England to-day, Governor of the Bank Lidderdale said the present liabilities of Lidderdale said the present liabilities of bearings due the bank is £0,500,000. The late saids of securities had been hard to effect and if forced it would be at a sucritice. It was impossible to speak with confidence upon the final outcome of the figuration. dation without holding out false hopes. Lidderdale said he did not expect any loss to fall upon the guaranteers.

Tom Desmond and the Terry Case.

DUBUQUE, March 17. - A dispatch sont out from here stated Tom Desmond, ex-sheriff California's Application for Swamp Lands of San Francisco county, was believed to be the former California sheriff who wrote Mra. Terry he had been offered \$55,000 to gill Judge Torry. Dosmond has not been less the letter was written at that time. He was east three years ago and until a secretary of the interior te-day denies the year ago less fall, when he returned to California. He was suspected, but proved to be in Washington until the murder was question formed part of the hed of the lands committed.

He Denies Writing a Letter Withdrawing as a Candidate

DANA IS AGAIN AFTER HIS SCALP

such a letter I certainly would know something about it. Well, well," he continued, "so they say Mrs. Cleveland induced me to suppress u other never written. That silly story is an absurd one for the main fact is that Mrs. Cleveland never interferes in political matters in which I am concerned."

Cleveland's Letter of Withdrawal Withdrawn NEW YORK, March 17 .- The Eccning Telegram says: Notwithstanding all that is said concerning the auxiety of Mr. Cleveland to be renominated for the presidency, the Telegram is in a position to announce of unimpeachable authority that the ex-President recently wrote a letter declaring that he would not allow himself to be put in nomination. No one but Mrs. Cleveland knew of the letter. Cleveland linended to make the letter public by the Associated Press. On the very day it was to be published Mrs. Cleveland saved the situation by sending for one of his most trusted friends. To this gentleman Cleveland friends. To this gentleman Cleveland friends, to this gentleman cleveland friends, to this gentleman cleveland in the littleness and bickerings and insults that daily infringed upon his private life; that he had made no effort to secure the nomination and nothing would induce him to enter the race. Cleveland's friends induced him to promise that the letter would not be given to the Associated Press for twentydent recently wrote a letter declaring that Heavy Snows in Kentucky.

Cinginnari, March 17.—Heavy snows are reported in eastern Kentucky and West Virginia.

Strategies of the Associated Press for twenty-four hours. A council was hurridly held by the most faithful and level headed Cloveland men, and at last Cleveland was persuaded to withdraw his letter.

Special to THE HERALD-Examiner Disputch snowstorm was the most severe ever experienced in this vicinity. Eight inches of snow fell and the ground was frozen for several inches deep. Many fatalities among boomers are feared, and hundreds of cattle are frozen to death.

Show York, March 17.—Mr. Charles A. Dana, of the Sun, has at last broken silence on ex-President Cleveland's letter to General Bragg, and Wednesday's Sun has this editorial: "It seems from the letter writeditorial: "It seems from the letter writton by the dumb prophet to the country in care of General Edward S. Bragg, of Wisconsin, that the former worthy has become from many points in central and northeast aware that it is a condition and not a Mississippi report heavy snow storms and theory, which confronts him. Before the freezing weather. At Helena, Ark., the freezing weather. At Helena, Ark., the Bragg letter we are to imagine the claimsnow ceased to day after fourteen hours, ant had resolved upon a policy of gloomy and chilling silence. He would let his heart break, but he would not speak. 'If they want me they know where to find me.

But of course, theoretically, I want to be left alone. I think that is the proper attitude for a candidate. Not having any machine, I must affect to despise the machine. Trying to get back into public life I must pretend not to be concerned about the mat-

ind everything which couns we expressed cold is dead. It is conceded the fruit crop is totally swept away, but many think where the snow buried wheat and oats, those creps will be saved. Dispatches from a nundred points in the interior of the state silent on this question.

"But whether by arrangement or not, the Bregg letter comes, and the prophet has his opportunity to specularly. When the last multiple and the meaning is revealed, his meaning is revealed, his meaning is revealed, his meaning is revealed, his meaning is seen, to be. I san go that is a new formal throughout the state, besides much corn. Commissioner Helibovorih estimates the form the purpose of the state of and will be brought here and a letter for the purpose of the sum that is an expense of \$8.00. It has a can be committeed in the past least \$80,000 and will be brought here and set up at an expense of \$8.00. It has a can be committeed in the prophet of and the meaning is revealed, his meaning is seen, to be. I say going to be a canditate if can, which time addresses will be delivered and efforts made to arouse popularities for and the raters. Mile Case will accompany him.
